My name is Tereza Hrachovcová and currently I am studying a graphic design at university. Although I am still seeking myself everywhere I can, I would like to continue and hold on this specialization.

EDUCATION

VŠKK, University of Creative Communication, Prague

Graphic and media design, 2019 – maybe BcA in 2022

Language School Elvis, Prague

English course, 2018 – 2019

EDUSO, High School of Multimedia and Promotional Creation, Prague

Photography and media, 2014 – 2018

EXPERIENCE

Book design / *current*

a self-publishing book for a student of
Literary Arts

- my first real book project at all, so I am firstly experiencing what it really is

Design of educational cards / 2020

for Czech SAR Team's Instagram posts

- I had to deal with a lot of text placed in a small place or just with a layout

Theatrical rehearsal performance photography / 2018

for theatre D21, one-off high school project

- I had to be predictable and react quickly
- every scene was different so I could play with lights to affect a final photo

Firefighting training photography / 2017

one-off high school project

- during this project I had to be on the alert everything was happening so quickly and anything won't happen again

SKILLS

Photoshop, retouching, editing

Illustrator, designing, vectors

InDesign, book design and typography

Figma, a little bit of prototyping

Digital photography, architecture, details and photos of people who don't know I am taking a photo of

Analog photography, developing films, enlarging photos using chemistry at homemade studio (grandpa's bathroom)

Github, markdown, publishing content

Writing, just think so cause I love to make texts sound better
